**Price :** 85.000 €

**Z73**

Building land with conceptual design is 19 km from the sea and Poreč. The remaining land has a regular shape and a total area of 1284 m2. It is located in a quiet environment at the end of the village, which is ideal for building a family house or a villa with a swimming pool. Water and electricity run near the land, and it has an access road. A very interesting terrain worthy of attention.
