Prefab house with a pool in a peaceful natural idyll - area Tinjan

The house will consist of a covered terrace, living room, dining room and kitchen, three bedrooms and three bathrooms.

The covered terrace will offer a beautiful view of the garden, which will be decorated with Mediterranean plants, and a sunbathing area with a pool of 30 m2 that allows complete enjoyment in the summer period.

The house has a large garden of 2128 m2.

Heating and cooling is via air conditioning.

The insulation consists of 16 cm of glass wool in the walls and 8 cm of styrofoam and the facade.

You can arrange the house according to your taste, considering that the house is still under construction, agreements are possible with the seller, who is also the contractor.

The house is sold turnkey with furniture.

This property offers a unique investment opportunity for the purpose of tourist rental or family home.
