Building land in a quiet location surrounded by untouched nature.

Ideal for those looking for peace. The land offers a view of nature, and the proximity of electricity and water makes it easier to start construction.

An additional advantage is the finished project and conceptual solution for a family house - terraced house with a swimming pool, which gives you a clearer vision of the future house.

perfect for a family living or holiday home.

Conceived as a family house of 145.70 m2, which contains 3 bedrooms and a swimming pool of 38.25 m2
