particularly emphasized thanks to the access to a beautiful covered terrace overlooking olive trees and Mediterranean plants, which provides a perfect place to relax and enjoy warm summer evenings. On the ground floor there are three bedrooms, a storage room, a pantry, a dressing room, as well as a study of 20.43 m², which is currently renovated and fully functional as a separate studio apartment with its own kitchen, bathroom and living area.

On the first floor of the house, which is accessed via a separate entrance, there is a second apartment of 110.92 m². The apartment consists of a hallway, separate toilet, kitchen with pantry, dining room and living room that open onto a large and very beautiful terrace. In addition, the apartment has two bedrooms and a bathroom, which provides an ideal space for a family or guests.

The house has central heating, while the heating system, boiler and water heater are located in the basement, which ensures functionality and a pleasant stay throughout the year.

A special value for this property is given by the spacious and indented garden, which offers numerous possibilities for decoration, including the construction of a swimming pool with a sunbathing area.

There is also an additional building on the land - an auxiliary building of 37 m², currently used as a storage room, but with great potential to be converted into additional accommodation capacity, an apartment, a summer kitchen or a space adapted to your own needs.

It has parking for 4 cars.

This property represents an opportunity on the market - a house near the sea, in a quiet and well-maintained village, with a large garden and the possibility of additional development, perfect for family life or as an investment for tourist rental.
